

ARSAM METAL

Ferroalloys · Silicon · Carbon · Specialty Chemicals

Certificate of Analysis / Mill Test Certificate (SAMPLE)

Reference: EN 10204 Type 3.1

Document Details

Product	Ferro Silicon (FeSi)
Grade	FeSi 75 — Si 72-78%
Lot No.	SAMPLE-0000
Quantity	20 MT (1 FCL)
Packaging	1 MT jumbo big bag
Incoterms	CIF

Chemical Analysis (typical)

Si 75.2 %	Al 1.1 %	Ca 0.4 %
C 0.08 %	P 0.025 %	S 0.012 %

Particle Size 10-50 mm

Sampling & Test Method

Chemical composition by XRF / wet chemistry; particle size confirmed by sieve analysis.

Declaration

This document illustrates conformance to the specification stated above. Actual certificates are issued per shipment with real lot data and conform to EN 10204 3.1.

Quality Assurance: _____

Date: _____
